6/07/18 BNI Meeting
2.4 Treasurer Report, Jim:

Data through May 31, 2018 is documented in this report.

a. KZFR Balance Sheet Report FY17-18 Total Liabilities and Equity as of:
   May 31: $185,771.61 (Attachment a.)  (NOTE: KZFR savings and checking account balances total $159,503.77.)
   April 30: $186,517.72
   March 31: $108,880.62

b. KZFR P&L Budget vs Actual FY17-18 July 1, 2017 to May 31, 2018 Report: (Attachment b.)
   Actual Income: $317,328.60
   Actual Expenses: $267,747.92
   Actual Net Income: $50,327.98 (Includes actual interest income of $747.30.)
   Budget Income: $297,538.33
   Budget Expenses: $276,735.39
   Budget Net Income: $21,215.44 (Includes budgeted interest income of $412.50.)
   Actual Net Income: $50,327.98
   Budget Net Income: $21,215.44
   Actual Net overage: $29,112.54

   (NOTE: Current Fiscal Year Budget was created ignoring requirement to generate income that exceeds $300,000 without CPB Grant Funding included.)

c. KZFR Open Invoice Report as of date listed:
   July 23: $6,841.00 (Attachment c.)
   Jul7 5: $6,623.00
   May 7: $8,192.64

   Issues:
   a. Accounts have discounted price for being paid up front yet the account is past due;
   b. Accounts are past due for up to 355 days. Note that 66 invoices for various underwriters are delinquent over 100 days. Many more are delinquent up to 100 days. All are noted in Attachment c.
   c. The Treasurer Report cannot document whether or not ads are being aired without prior payment made.

   In general a business process update/resolution is required to correct the issues associated with selling underwriting using discounted rates and then collecting money owed to KZFR. Terminating all Open Invoice underwriting and generating new contracts at current rates could resolve issue for the new fiscal year. Business decisions are required.

d. KZFR P&L by Class (Fundraisers) Total FY17-18 as of 20180531: Fundraiser Net Income: $19,666.14 (Attachment d.)

   Further discussion of individual Events including Quickbooks view of individual Events, individual Event Summary Sheets and Cash Balance Sheets will be reviewed at the meeting. The Cash Accounting process has improved. Work is still required to ensure that Cash collected at Events is counted and signed for and the data is traceable through Quickbooks for audit purposes. Board Member volunteers are required at each Event to count cash.

e. Two Budgets for Fiscal Year 2018-2019 are provided for review and approval. 20180724 KZFR Budget for FY 18-19 without Grant Funding included is provided in attachment e1. 20180724 KZFR Budget for FY 18-19 with Grant Funding included is provided in attachment e2. The new budgets eliminate discounts for underwriting and implements income increases in Pledge Drive, Underwriting, Event Income, and Donations categories. The expense for an Audit is included in the budget since it is due this year to meet Grant Funding requirements. I recommend using the Budget withOUT Grant Funding. The goal is to meet the income and
expenses listed so that elimination of the Grant Funding is not an issue for KZFR. Again, please NOTE: KZFR current savings and checking account balances total $159,503.77. Historically, budgets have been built off the preceding year budget. The FY18-19 Budget was built that way. After FY17-18 actuals are reconciled through the end of June 2018, the new FY18019 budget will be revised based on the FY17-18 actual income and expenses are brought to the Board.

Recommendations:

a. KZFR Staff and Board of Directors approve budget for 2018-2019.

b. Resolve Open Invoice issues. Create new business process incorporating no discounts and prepayment before ads aired and accounting for number of ads aired by contract.

c. KZFR Staff and Board of Directors develop more fund-raising opportunities for KZFR. The CPB Grant Funding probation period ends next year. Continued grant funding is dependent on increasing local fund raising such that income exceeds $300,000 without Grant Funding inclusion. New Budget includes that requirement.
